Transfers

How to Ride

Go-To Card

Go-To cards offer a fast and convenient way to pay transit fares. The durable, plastic card tracks cash value and 31-day passes. Simply touch the Go-To card to the card reader and the appropriate fare is deducted automatically. Go-To cards are rechargeable and are accepted on any regular route bus and the Hiawatha Light-Rail line.

SuperSavers

SuperSaver 31-Day Passes offer unlimited bus riding for a 31 consecutive day period starting on the first day of use.

SuperSaver Stored Value Cards provide \$11 in bus fares for \$10, \$22 in bus fares for \$20, or \$44 in bus fares for \$40. When the card is used, an amount equal to the cash fare is deducted. Stored Value Cards can be used for any adult fare, and have no expiration date.

- 1) Arrive at your stop or station 7-10 minutes early. In most of the suburban MVTA service area there are not designated bus stops – riders standing in a safe location along a route can simply wave to signal the driver as the bus approaches.* (see exceptions below)
- 2) Board the bus prepared to pay the correct fare. Drivers do not have access to the fareboxes, nor do they carry change. The farebox takes both bills and coins, but does not make change. Passes are not available for purchase on the bus. When paying in cash, ask the driver for a transfer if you'll be transferring to another bus. See Transit Fares and Passes for more information on transfers.

To pay with a Go-To Card, simply touch the card to the blue device near the farebox as you board.

To use a 31-Day Pass or Stored Value Card, insert it in the card reader. The correct value will be deducted from the Stored Value Card, or will read the 31-day Pass.

- 3) Allow seniors or those with disabilities to sit in the seats closest to the driver.
- 4) While on the bus, be respectful of other riders and stay seated while the bus is in motion. No smoking or eating is allowed on the bus. The MVTA does allow drinks on buses, as long as the drinks are covered. Trash should be removed when you exit the bus. If talking on a cell phone, please use a quiet voice and keep your conversation as short as possible.
- 5) In order to exit the bus at the appropriate location, listen for the driver to announce major intersections and points where the bus connects with other routes. To signal the driver to stop, pull the cord near the window or politely notify the driver in advance of the stop. If you are unsure of where to get off, speak with the driver when boarding and he/she will assist you in exiting as close as possible to your preferred destination.

* **Exceptions:** Buses will only stop at signalized intersections or other designated stops along County Rd. 42, Cedar Ave. (south of 138th St.), and Highway 13. In Bloomington, Minneapolis, and St. Paul, buses will only stop at bus stop signs. And remember that buses will not stop on any portion of the route marked on the map as non-stop service.

General Information

Holiday Service

MVTA routes do not operate on Thanksgiving and Christmas. Sunday service operates on New Year's Day, Memorial Day, Independence Day, and Labor Day. Special schedules operate on Christmas Eve and the Friday after Thanksgiving – refer to web site or newsletters for details. Reduced service may operate on days before or after holidays – refer to www.mvta.com for details.

Modified Weekday schedules will operate on the following days in 2009:
4/10, 5/22, all Fridays from 6/12 through 9/4, 7/2, 7/3, 9/3, 10/16, 12/23, 12/28-31.

Bicycle Information

All MVTA buses have free bike racks to carry your bicycle while you ride the bus. A brochure describing use of the racks is available on buses or at www.mvta.com.

Bike lockers are available to store your bicycle while you ride the bus – for a nominal monthly fee – at the Apple Valley, Burnsville, Eagan and 157th Street Transit Stations, and the Blackhawk and Palomino Hills Park & Ride lots. Call 952-882-7500 for more information.

Connections

"Connect to" and "Connect from" mean that the buses are scheduled so that transferring from one route to another should work, but these connections are not guaranteed.

Customers should always alert the driver of their desire to connect. A minimum connection time of 7 to 10 minutes is suggested.

Accessibility

All MVTA buses are accessible, either with kneeling buses, ramps or lifts. Riders should feel comfortable asking the driver to use the ramp or to have the bus "kneel," if necessary.

Severe Weather

• Listen to WCCO radio (830 AM) for information regarding MVTA routes. You may also check www.mvta.com or call the MVTA office at 952-882-7500 and select option 4 from the main menu.

• If a "Snow Emergency with Reroutes" is declared, express routes will run from major park & ride lots only; most local routes will run with slight modifications; and some local routes will not operate. Consult regional "Snow Reroute Guide" for further information.

• Wait on main plowed roads – buses will not pull into unplowed park & ride lots. Be prepared to take buses scheduled to leave at earlier times, or buses from other locations. Additional service may be offered in the event of early work closings. Dress for the weather – buses may be running slow.

Reading a Schedule

- Find the timetable for the correct day of week and direction of travel.
- Find the locations (TimePoints) nearest your starting point and destination. Remember that you may get on and off the bus at transit stops between the TimePoints. The TimePoint letters (A) provide a reference to the locations on the map.
- Read down from the TimePoints to see times when buses serve those locations.
- Read the times across from left to right to see when the bus will reach other locations. Each row of times from left to right represents a single bus trip.
- Refer to Route Number and Letter to ensure you catch the correct bus, and look for important notes listed in Trip Notes or next to any time.
