

Isbeddello ayaa ku imaanaya Lake Street/Boosteejada Midtown!

Lake Street/Boosteejada Midtown waa saldhigga ugu mashquulka badan ee METRO Blue Line ee woqooyiga garoonka diyaaradaha, iyadoo ku dhawaad 800,000 oo rakaab ah ay raacaan sannadkii. Maaddaama xaruntu ay ku dhawdahay 20 sano oo adeeg bixin ah, horumarino isdaba joog ah ayaa kor u qaadi doona khibrada macaamiisha iyo bulshada ku xeeran. Casriyeyntan waxay ujeedadeedu tahay in la horumariyo marin u helka, badbaadada, iyo waaritaanka, iyada oo loo abuurayo jawi soo dhaweeya dadka oo dhan.

Jidka 21 waxa uu kaga dhacaa METRO Blue Line boosteejada waxuuna noqday sida goobta rakaabka ugu badan ay ka raacaan. Boosteejada tareenada korontada waa barta isku xirka muhiimka ah ee mustaqbalka METRO B Line.

Hadafka cusboonaysiinta boosteejada

- **Helitaanka:** Hubinta in qof walba, iyada oo aan loo eegin awoodiisa, ay si fudud u soo mari karaan Lake Street si ay u imaadaan goobta laga raaco tareenka ku shaqeeyo korantada. Bixinta wiishka lagu socdo, balaarinta jaranjarooyinka, meelo ay ku socdaan dadka gaariga cagoolaha wato, iyo dib u rarida jaranjarada si loo hagaajiyo muuqaalka iyo iftiinka.
- **Waayo-aragnimada Macaamiisha:** ku jiraan badqabka, nalka dheeraadka ah ee laga gol leeyahay qurxinta, xarunta adeegga gaadiidka, calaamadaha dadka lagu hagayo, meelo xiran, iyo adeegyo kale.
- **Waarida:** Isticmaalka walxo raagaya oo ay fududahay in la ilaaliyo isla markaana kaydiyo tamarta.
- **Naqshad Isku-dhafan:** Si aan kala go' lahayn ugu xidhida boosteejada iyo meelaha u dhaw sida Market Square iyo waddooyinka tareenada ee dhaw.
