Reading a schedule: a step-by-step guide

- 1. Find the schedule for the day of the week and the direction you plan to travel.
2. Look at the map and find the timepoints nearest your trip start and end points.
3. Read down the column to see what time a bus will depart from a given timepoint.

Not all stops are shown on this timetable.

Use the timepoints on the map and the schedule to estimate the arrival of your bus.

How to Ride

- BUSES
1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Watch for your bus number.
3. Pay your fare as you board, except for Pay Exit routes.
4. Pull the cord above the window about 1 block before your stop to signal the driver.
METRO LINES
1. Arrive 5 minutes before the schedule or NexTrip says your trip will depart.
2. Pay BEFORE you board—touch your card to a reader on the platform or buy a ticket from the machine.
3. Push the blue button to open doors (trains only).
4. METRO LRT lines stop at every station. METRO BRT lines stop at stations on demand and when customers are present.

MAKING CONNECTIONS
