## How to Ride

Call a regional transit information representative at 612-373-3333 for help planning your trip, visit [www.maplegrovetransit.org](http://www.maplegrovetransit.org) for more information, or use the online trip planner at [www.metrotransit.org](http://www.metrotransit.org).

### Reading your Schedule

Lettered circles on the route maps indicate "time points." Each time point is labeled with a letter that corresponds with the same time point in the trip timetable. Use these to gauge the best time to arrive at your bus pick-up location. Your bus stop may be between time points. Please be at your stop five minutes early.

### Minneapolis Bus Stops

Bus stop signs indicate bus stop locations. All bus stops on Marquette and 2nd Avenue are signed with a letter. Maple Grove inbound trips serve the stops signed with the letter "D" on Marquette Avenue, and outbound trips serve the stops signed with the letter "H" on 2nd Avenue. Please be at your stop five minutes early.

### Route numbers on Buses

Signs above the windshield and/or passenger door indicate route and trip numbers, so simply check the sign to make sure you're getting on the right bus. Sometimes, buses are used that do not display the MGT logo. When in doubt, check overhead signs, or ask the driver.

## Have a Pleasant Journey

Follow these rules and guidelines to make everyone's ride better

### Carry-on Items/Packages

Please hold all carry-ons or put them on the floor by your feet. Keep aisles clear and do not use empty seats for your packages. Drivers can refuse service to riders whose items present a safety hazard or cause inconvenience to other passengers.

### Cell Phones

Out of courtesy to others, please set your phone to vibrate, or to ring quietly. Please limit the length of your calls, and keep your voice low as you share space with other riders.

### Conversations

When talking with other riders on the bus, please keep your voice low as not to disturb other riders. Do not carry on conversations with the driver.

### Headphones

Keep headphones at a low volume level to keep from disturbing fellow passengers.

### Bus Exiting Procedures

Quick, efficient exiting begins with standees departing first, followed by seated passengers from front to back to ensure safety and order.

### Transit Station Boarding

Form an orderly line inside the lobby starting from the east end. If the line gets too long, we ask that you not stand in the stairwells. Instead, form a wrap-around line along the divider ropes placed in the center of the lobby.

### Priority Seating

If asked, please move from seats reserved for seniors and those with disabilities.

### Beverages on Buses

Please transport your beverage in a sturdy container with a secure lid that will not spill if tipped. People standing cannot possess any type of beverage.

### Capacity Disclaimer

Maple Grove Transit (MGT) cannot guarantee that every person who desires to park at the park-and-ride facilities will be able to obtain a parking stall. The number of parking stalls is a fixed quantity and are available on a first come, first served basis. MGT cannot guarantee that every person who desires to ride a specific bus or trip on any given day will be able to do so, due to buses having a fixed seating and standing capacity.
