

## Route 7 Bus Stop Changes

These changes are proposed to go into effect on June 14, 2025.

These bus stop changes would affect only Route 7. Other stop changes, including some on Route 9, associated with this project are listed at the end of this document.

### SOUTHBOUND BUS STOPS PROPOSED FOR REMOVAL

- |                                                                                                                                                                   |                                                                                                                                                                                                          |                                                                                                                                                                   |

### OTHER BUS STOP CHANGES

- The Route 7 northbound bus stop on Minnehaha Ave & Lake St/Aldi driveway could be relocated to the southeast corner of Lake St and Minnehaha.
- The Route 7 southbound stop on 26th Ave S & Cub Foods could be relocated south on the other side of the driveway.
- The southbound/eastbound stop on N Washington Ave at N 3rd Ave (stop #17876, currently used by routes 3 & 14) could be replaced by a new bus stop on the other side N 3rd Ave.

### ROUTE 9 BUS STOPS PROPOSED FOR REMOVAL OR RELOCATION

- 25th St E & 27th Ave S – both eastbound and westbound stops may be relocated to 25th St E & 26th Ave S.
- 25th St E & 25th Ave S – both eastbound and westbound stops may be removed.

### NORTHBOUND BUS STOPS PROPOSED FOR REMOVAL

- |                                                                                                                                                                                                                   |                                                                                                                                                          |
