

Route 61 is a local bus route providing service between downtown Minneapolis and St. Paul via Hennepin, Larpenteur, and Arlington avenues. The route also travels along Arcade St. in the Payne-Phalen area to downtown St. Paul via 7th St. E.

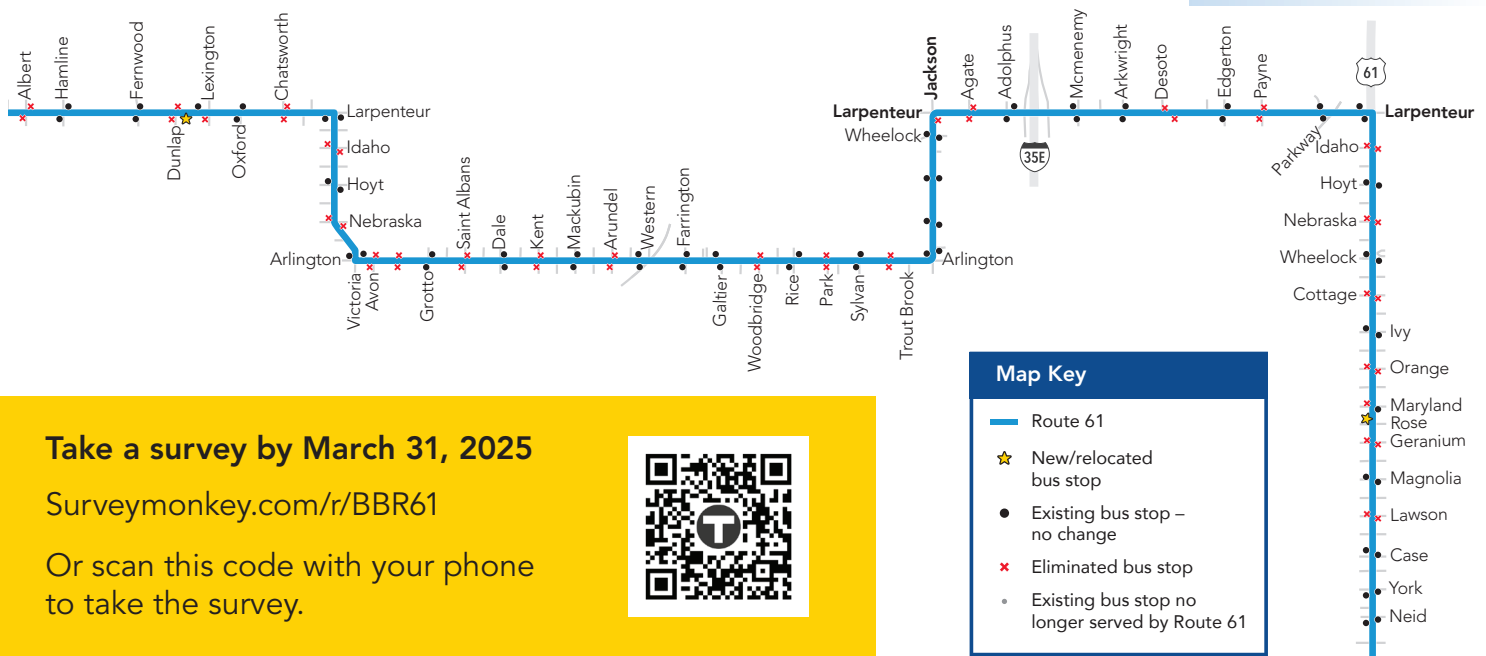

We are looking for feedback on these potential changes:

- Consolidating bus stops for up to quarter-mile spacing to increase trip efficiency
- Eliminating the limited-service B branch along Industrial Blvd. and Godward St.
- Adjusting the route schedule to better reflect travel times
- Expanding the no-parking zone to ensure buses can fully pull to the curb at the bus stop
- Installing concrete pads to improve accessibility for customers
- Installing new shelters at qualifying bus stops

These changes are planned for August 2025.
